Stop Turning Yourself and Your Families Into "Trans-Humans"

Paul and Teri ---- for posting on our websites. Can't post on FB, of course. But try to get it out.

Here is more shocking information from Turkey --- babies of vaccinated parents born with animal tails and fur, multiple limbs, and more.

This is what the madman, Bill Gates, promoted to destroy mankind. He and all the other Rockefellers heirs need to be identified for the Public, along with all Rothschild and Roosevelt heirs --- and for similar reasons.

They represent a known Public Menace.

These families have produced a large number of well-funded psychopaths, brilliant, twisted, dishonest, manipulative, unprincipled, unaccountable, arrogant, self-absorbed, lacking any conscience or fellow feeling for others.

These three families have created more misery, more death, more poverty, and more disaster during the past 150 years than can be explained by any statistical analysis. Just as Britain is at the bottom of every dog pile, the Three R's are at the bottom of every Ponzi Scheme, every transfer control gambit, every Impersonation Scam, and now, they are at the bottom of trying to turn men into animals so as to expedite their abuse as animals.

Trans-humans.

Trans-humans have no Natural and Unalienable Rights, because they've been created by interference with their natural genome. Their blood and their DNA has been deliberately polluted.

By Bill Gates and Fauci and the other mad men who have allowed and supported this.

Take a look at the photos of these poor babies and see what has been done to their bodies by Gates, Pfizer, Moderna, Johnson and Johnson, and all the other players who have led us to this end.

And quietly resolve that yes, we are going to put an end to this and an end to those who are promoting this.

No jabs. Not for anyone. Ever. No compliance. No alliance. No pity for the Perps.

And from now on, public tracking of all members of the Rothschild, Rockefeller and Roosevelt family lines. Genealogists, start your motors.....
